## General Rules for SSMUN 2024

1. **Scope:** These rules apply to the General Assembly, the Economic and Social Council, the Regional Bodies, the Security Council, and the Historical Security Council, except for modifications provided by the Secretariat, and will be considered adopted in advance of the session. Other committees are run according to rules set by the Director.
2. **Language:** English will be the official and working language of the conference.
3. **Delegations:** Each member state will be represented by one or two delegates and shall have one vote on each committee. Representatives of accredited observers will have the same rights as those of full members, except that they may not sign or vote on resolutions or amendments. The Secretary-General will provide a list of member states and accredited observers for each committee.
4. **Credentials:** The credentials of all delegations have been accepted upon registration. The Secretary-General shall be the final arbiter of the validity of all credentials. Any representative to whose admission a member objects will provisionally be seated with the same rights as other representatives, pending a decision from the Secretary-General.
5. **Statements by the Secretariat:** The Secretary-General or a member of the Secretariat whom he or she designates may at any time make either written or oral statements to the committee.
6. **General Powers of the Committee Staff:** The Director will declare the opening and closing of each meeting and may propose the adoption of any procedural motion to which there is no significant objection. Subject to these rules, the Director will have complete control of the proceedings at any meeting. The Moderator will direct discussions, accord the right to speak, put questions, announce decisions, rule on points of order, and ensure and enforce the observance of these rules. The Moderator may temporarily transfer his duties to another member of the Committee staff or other designates of the Director. Committee staff members may also advise delegations on the course of the debate. In the exercise of these functions, the Committee staff will be at all times subject to these rules and responsible to the Secretary-General.
7. **Quorum:** The Director may declare a Committee open and permit debate to proceed when at least one-fourth of the voting members of the Committee are present. A member of the Committee is considered current if at least one delegate representing that member is in the Committee chamber. The presence of a majority of the members will be required for the vote on any substantive motion. A quorum will be assumed to be present unless challenged explicitly by a Point of Order and shown to be absent. A roll call is never required to determine the presence of a quorum.
8. **Courtesy:** Delegates will show courtesy and respect to the Committee staff and other delegates. The Moderator will immediately call to order any delegate who fails to comply with this rule.

9. ***Electronic Devices***: No laptops, tablets, computers, cell phones, or other electronic devices may be used in the Committee room during formal debate or moderated caucus. Computers may be used outside the Committee room at any time, or in the Committee room during an unmoderated caucus.

## Rules Governing Debate

### Attendance (Motion to Verify Quorum):

1. At the beginning of each Session and upon the Motion to verify the Quorum, Chairpersons shall call in alphabetical order on all Member States to state their status of attendance. Member States may reply "present" or "present and voting. Representatives stating just "present and voting" shall have no right to abstain from any vote on the substantial matter.
2. If any of the Representatives were not present during the Roll Call, upon their arrival they shall send a note to the Chairpersons clarifying their status of presence.
3. The quorum signifies the minimum number of delegates who need to be present to open a session for the debate.
4. The quorum is met when at least one-third of all delegates registered are present at the committee session. The quorum shall be verified at the beginning of each session by the Roll Call.

### Setting the Agenda:

1. Setting the agenda is the first step to be considered by the committee.
  - a. The motion to put a topic area on the agenda should be made first. This motion requires a second.
  - b. Delegates can propose only topics as put forward by the Secretariat in the provisional agenda, i.e. the topics which were set by the Secretariat before the conference.
  - c. In case there is no opposition to the motion, the motion is considered to be adopted.
  - d. In case of opposition against the proposed order of the agenda, a Speaker's List of either two or four delegates "for" and "against" the order will be established - the number of speakers should be equal for both cases.
  - e. After the exhaustion of the Speaker's List, the Committee will immediately vote on the motion. For this vote, which is procedural, a simple majority is required for the motion to pass. In the case that the motion fails to pass, the Committee will automatically adopt the second topic, i.e. the inverse order of the topics will be introduced.

## Debate

The three modes of Debate can be introduced during SSMUN:

1. Formal Debate (General Speaker's List)
2. Moderated Caucus
3. Un-Moderated Caucus

Upon setting the agenda, the Speaker's List is open- either at the discretion of Chairs or by delegates proposing a Motion to Open the Speaker's List.

### Speaker's List

1. The General Speaker's List shows the order of speakers for the topic being on the agenda and is open for the whole duration of the discussion.
2. Once the Speaker's List is open, any delegate can be added to the Speaker's List by:
  - a. Being recognized by raising their placard during the call made by Chairs.
  - b. By sending the official note to the Chairpersons.
3. The delegate already added to the Speaker's List cannot be added for the second time. Once the delegate makes his speech, he/she can submit a request to be put on the Speaker's List again. The delegate can also withdraw himself from the Speaker's List by sending a note to the Chairs.
4. Speaking time for the General Speaker's List is set to 90 seconds. The time limit can be altered by a Motion to Change the Speaker's Time.
5. If there is a motion adopted altering the mode of debate, the general Speaker's List shall be suspended for the duration of the motion and shall be resumed afterwards.
6. Once the Speaker's List is exhausted, the debate is considered closed and the Committee automatically moves into the voting procedure on the document which is currently being discussed within the set topic.
7. The Speaker's List is open just for the topic currently on the agenda.

### Moderated Caucus

1. The moderated caucus is aimed to facilitate and accelerate the discussion on the issues deemed as essential and critical for the topic on the agenda. Instead of being added to the general Speaker's List, delegates wishing to speak shall raise their placard and be called upon at the discretion of the Chairs.

2. The motion for the moderated caucus can be introduced by any of the delegates once the Floor is open for Points and Motions. The delegates shall specify the total time of the Motion (not exceeding 20 minutes), the individual speaker's time for each of the delegates (not exceeding the speaker's time set for the general Speaker's List) and the purpose of the Motion. The purpose, i.e. the topic of the Motion shall be connected to the issue currently being discussed on the agenda and shall be more particular than the general topic of the discussion.
3. A Simple Majority of the quorum is required for the motion to pass. In case there are more Moderated Caucuses proposed, the Committee will vote upon them in descending order according to the total time of the Caucus (i.e. from the longest to the shortest) as set by the Chairs.
4. In case the delegate will not take advantage of the whole allotted time assigned to him/her, the remaining time and the floor are yielded to the Chairpersons automatically. The Moderated Caucus delegate cannot yield his time to other delegations or inquiries.
5. If no delegates wish to speak, the Moderated Caucus may be closed at the discretion of Chairpersons and the Committee will return to the general Speaker's List.
6. A Moderated Caucus can be extended twice as long as the total time of the Caucus does not exceed the timeframe of the previous one.
7. The Motion can be ruled out of order at the discretion of the Chairs- such a decision is not subject to appeal.

### Unmoderated Caucus (Informal Debate)

1. The Unmoderated Caucus is the most informal out of all forms of debate, during which one can freely discuss all issues with other delegations, lobby for their interests, resolve difficult questions about the topic on the agenda and create working papers and resolutions.
2. The motion for an Unmoderated caucus can be introduced by any of the delegates once the Floor is open for Points and Motions. The delegate shall specify the purpose of the motion and shall state the total time of the motion (not exceeding 30 minutes).
3. A Simple Majority of the quorum is required for the motion to pass. In case there are more Unmoderated Caucuses proposed, the committee will vote upon them in descending order according to the total time of the Caucus (i.e. from the longest to the shortest) as set by the Chairs.
4. An Unmoderated Caucus can be extended twice as long as the total time of the Caucus does not exceed the timeframe of the previous one.
5. The Motion can be ruled out of order at the discretion of the Chairs- such a decision is not subject to appeal.

### Closure of Debate

1. Any delegate may at any time when the Floor is open move the Closure of the Debate regarding the current topic on the agenda which is being discussed. Such Motion for the Closure of the Debate can be introduced without the exhaustion of the General Speaker's List and no matter whether any other delegation wishes to speak. Motion for Closure of the Debate means the immediate termination of all discussion regarding the Topic Area and bringing all Draft Resolutions and Amendments to vote.
2. After the introduction of the motion, two delegates shall have the right to speak “for” and “against” the Motion proposed.
3. Upon their speeches, the committee proceeded with the voting procedure regarding the motion.
4. A Qualified Majority of the established quorum is required for the motion to pass.
5. If more than a two-thirds majority is in favour of the closure of the debate, the committee automatically moves into the voting procedure on all draft resolutions and amendments proposed during the debate.
6. The Closure of the Debate and Move to the Voting Procedure can be introduced together in one motion or can be separated, i.e. first the Motion for the Closure of the Debate to be proposed and after its approval, the delegate can introduce the second one. Latter can be applied in the case that the delegation wishes to alter the type of voting, Divide the Question etc. as this cannot be done in the former.
7. The motion can be overruled by the Chairpersons. Such a decision is subject to appeal.

### Motion To Table The Debate

1. Any delegate may at any time when the Floor is open introduce the Motion to Table the Debate which temporarily suspends any discussions regarding the Topic being currently on the agenda.
2. The Motion is debatable. Two or four Representatives can be selected to speak “for” and “against” the Motion. The Motion requires a Qualified Majority to pass.
3. The Motion to Resume the Debate shall automatically cancel the Motion to Table the Debate on a given Topic. The motion is non-debatable and requires a Simple Majority to Pass.
4. For both Motion to Table, the Debate and Motion to Resume the Debate the Chairpersons may rule the Motions out of order. Such a decision is not subject to appeal. Suspension And adjournment of the meeting.
5. The Suspension of the Meeting is the postponement of all functions of the Committee till the next session.
6. The Adjournment of the Meeting is the postponement of all functions of the Committee till the next edition of MuniMUN. Such a Motion postpones all its work for the rest of the Sessions and conference overall.

7. Both Motions can be raised by a delegate any time when the Floor is open and requires a second. The house is required to vote on such a motion immediately; a simple majority of the quorum is needed for any of these two motions to pass.
8. The motions can be overruled by the Chairpersons. Such a decision is not subject to appeal.

### Yields

A delegate who was granted the permission to speak by the Chairpersons shall have the right to yield his time- if remaining- to:

1. Yield to another delegate- the remaining time will be offered to another delegate as allotted by the former speaker. The delegate, if accepting the yield, cannot yield the floor to any other person except Chairpersons.
2. Yield to inquiries- If the delegate is open to questions, it is at the discretion of the Chairpersons to grant this right to any delegate willing to pose an inquiry to the delegate within the remaining time allocated to the delegate. Inquiries are not counted into the remaining speaker's time, unlike the answers provided by the delegate. The delegate who yielded his time to questions and can refuse to answer any of them at his discretion. Also, Chairpersons shall call to order any delegate whose inquiry by its character does not comply with the standards.
3. Yield back to the Chairs- If there is remaining time left, but the delegate does not wish to answer any questions or give his allocated time to another delegate, he/she can yield his time back to the Chairpersons, who will proceed with another delegate on the Speaker's List wishing to speak afterwards.

### Points

1. Point of Personal Privilege- A delegate may raise the Point of Personal Privilege in case of whichever kind of personal discomfort prevents him from full participation in the debate. Such things can be for example audibility of other speakers, switching of air- conditioning etc. A Point of Personal Privilege can interrupt a speaker only in the case of bad audibility.
